November 15, 2008 meeting news:

Director, Robert Vanderwerken resigned on November 15 effective immediately. Board members accepted his letter of resignation. An amendment to bi-laws regarding board membership was suggested. A motion was made and accepted for the following change: When accepting the position of director you must attend 50% of meetings. If you cannot attend it is your responsibility to let another officer know, find out what went on and if there is anything you will need to do. If these duties are not fulfilled, a new director can be appointed by unanimous vote of members at the next regular meeting.

If you wish to resign, letters must be in writing. A Director position will be opening in March of 2009.

Trail Work Update:

Duane: new bridge completed, culverts inserted, and brush hogging completed, signage up.

Milford: Trail has been reopened and trail is in good condition.

Doug: Brush hogging done. One unhappy landowner due to people riding without the proper conditions. Signage is up.

A few words from your President

NO Trails are open until December 15, 2008.

- Please be respectful of our landowners.
- Ground needs to be frozen and at least 6 inches of snow cover before **anyone** should be out on the trails.

- You abuse it—WE lose it!
